Dear Parent,

Re : **Classroom / Test Programmes**

Pathfinder is happy to announce three unique programmes for students of Class VIII, IX & X.

- ★ **Classroom-cum-Test Programme for Class IX and X students :** Weekly classes with Bi-monthly Tests / Annual Test / Mock Tests.
- ★ **Test Programme :** For Class IX and X external students— Bi-monthly Tests / Annual Test / Mock Tests.
- ★ **Foundation Programmes for Class VIII, IX and X students :** Weekly Preparatory Classes for IIT-JEE, AIEEE, AIPMT and WBJEE with Tests and Workshops.

At a basic level we conduct the **Madhyamik classroom cum Test Programme** on weekdays to guide and nurture students for Madhyamik Board exams.

Along with it, we also offer **Foundation programmes** on weekends for Class VIII, IX & X students of all Boards to develop their analytical skill and preparatory knowledge for Competitive exams like WBJEE, IIT-JEE, AIEEE and AIPMT. The programmes are also immensely helpful in preparing for NTSE, KVPY and Olympiads.

As per a recent survey, for most students of West Bengal, preparation for competitive exams like IIT-JEE, AIEEE, AIPMT, WBJEE is pushed back to around last year of their school days. Many parents and teachers also feel that preparing for such competitive courses simultaneously with regular preparation for Board exams affect the students' overall performance.

Unfortunately, such perceptions are utterly wrong. In most Indian states, students start preparing for IIT-JEE, AIPMT etc. right from Class VIII and sometimes from class VII ! Thousands of students from these states perform well in Board exams and taste success in competitive exams like NTSE and Olympiads and IIT-JEE, AIEEE, AIPMT and State-JEEs as well. Their success rate is much higher than the students of West Bengal.

Pathfinder's Foundation Course is a step towards setting this dismal situation right. By carefully preparing a study plan of the Foundation Course that will closely relate to the Board syllabus of Class VIII, IX & X. And by ensuring constant guidance and support at all levels. Following the same pattern in Class XI and Class XII, Pathfinder is ensuring better results for our students not only in Board exams as well as in competitive exams like NTSE, Olympiads, KVPY, IIT-JEE, AIPMT, AIEEE, WBJEE.

We are very keen to offer this programme to students of West Bengal, where opportunity and awareness for such guidance is so scarce. For any further information, please feel free to call us at **033-40120730 / 33 / 34** and Counsellors of Foundation Course Dept. will be at your service.

Kindest regards

Yours truly,

**(U. K. Shome)**

Principal
